

Cut out the questions and choose one a day!

What challenge did you have today?	What made you smile today?	Was anything easy for you today?
How did you keep going when something got tough today?	Can you think of something you could have done better today?	Did you get a chance to help someone today?
Did you make a mistake today? What did you learn from it?	Did you try something new today?	What different emotions did you feel today?
What made your teacher smile today?	What was the hardest rule to follow today?	What problem did you solve today?
What was the most fun you had today?	How were you kind to someone today?	Who helped you today?
Who was kind to you today?	What will you remember from today?	What are you proud of today?
If you could plan what you do in class tomorrow, what would it be?	How many times did you read today?	What did you learn that you can teach me today?
